

Jingle Bells

1. Back-ing through the snow, Up this love-ly big drive-way, Be-fore you even know

Some-thing's not okay, Mail-box gets a crack, Ma-king you so pissed, You

should change to a En-y-aq, With smarter park ass-ist. O, Park Assist, Park Assist,

We got that tech too, Oh, En-y-aq is fun to ride, For a way bet-ter price, Nice!

Park Ass-ist, Park Ass-ist, Eny-aq parks with ease,

Oh, what fun, it is to park, In a spac-ious mas-ter piece!

2. No Enyaq's in sight,
The afford-able car brand,
See price on website,
This is quite unplanned,
But if you do decide,
To dealership arrive,
To look or book a free test drive,
We're open nine to five.

[Chorus]
