Precious moments

When you want to take a dining room from simply homey to sensational, details like splashes of cream, hints of blue and black, and a crafted feel make the difference.

This is your space to enjoy intimate meals with your special someone or host parties for your dearest friends and family. You'll love lingering here.

EBBALYCKE dining chair is more than just comfortable. Its fabric cover is easy to clean and has a secret back pocket for keeping napkins and other dining essentials within reach.

This season's BILD posters take a bare wall from bland to beautiful with decorative motifs by designer Maria Mendez and inspired by fine porcelain.
