

INTRODUCING TRIONDA

THE OFFICIAL MATCH BALL FOR THE FIFA WORLD CUP 2026™, CELEBRATING THE HOST NATIONS USA, CANADA AND MEXICO.

HOST COUNTRY SYMBOLS

Iconography significant to each country features in bold graphics on the panel designs, including a blue star for the USA, red maple leaf for Canada and green eagle for Mexico.

ALL-OVER SURFACE EMBOSSING

The eagle, maple leaf and star symbols feature again in an intricate all-over design, subtly embossed onto the matte surface of the ball.

GOLDEN ACCENTS

The design is finished with gold embellishments and detailing that outlines the motifs across the face of the ball – a champion's colour for the champion's ball.

A NAME FIT FOR THE BIGGEST STAGE

TRIONDA meaning three (Tri) and the Spanish translation of waves (Onda) – represents the collective wave of joy and euphoria that that will ripple through the host nations, and the world.
