Flower Signs Battery Flexibility Purchase Agreement with Global Energy Group

17.11.2026 21:00:00 CET | Flower German Tolling AB (publ) | Insiderinformation

Energy tech company Flower has signed a 7-year tolling agreement covering 96 MW of battery energy storage system (BESS) capacity across Germany.

Under the agreement, commencing April 1, 2028, the counterparty gains long-term access to BESS capacity from Flower's portfolio, supporting the financing, deployment, and commercialization of large-scale storage assets across Germany.
